

Express Email Account Setup Form

Instructions:

1. Fill in your domain name after "Domain="
2. Fill out the Custom Email account names you would like to use. (Example: *janedoe@ or jane.doe@*), the first and last names, and password for your custom email accounts
3. Fill out the Free Email account information the same way as the custom accounts. If you would like to have a free email account forwarded to one of your custom email accounts, please enter the custom account name in the "First Name" field and leave the rest of the fields blank.
4. Either Fax this form to (909) 279-7350 OR email it to: support@autowebexperts.com
